Alcohol and Drug Program Administration

SUBJECT: **FUNDING AUGMENTATION FOR MATRIX INSTITUTE ON ADDICTIONS,
CONTRACT NO. H-701242**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for Matrix Institute on Addictions using the delegated authority by the Board on May 31, 2005 (Board Agenda Synopsis #42). This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding increase based on the Sobky v. Smoley court litigation which allowed agencies to request additional funds to cover persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment

Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.

Drug/Medi-Cal Services - Description

Narcotic Treatment Program Services (Federal Drug/Medi-Cal)

Narcotic treatment program services provide for the administration of methadone and/or levoalphacetylmethadol, at relatively stable dosage levels for a period in excess of 21 days, as an oral substitute narcotic drug accompanied by ancillary social and medical services for individuals 18 years or older who have a history of two or more years of dependence on heroin or other morphine-like drugs, and two or more failures in alternative treatment programs. Services are provided to Medi-Cal eligible beneficiaries.
